Hy Cite Corporation (“Hy Cite”) provides the following warranties on its OceanBlue product line to the original consumer owner of the product, whether obtained by purchase or by gift:

Hy Cite also warrants that your Water Filtration System cartridges will not become clogged for 90 days from the date of purchase.

Note: Maintenance parts for your Water Filtration System (including diverter valve and hose assembly, and rubber o-rings) may need replacement, not because of defects but because hard-water minerals may clog valves, and harsh chemicals in tap water can cause rubber o-rings and hoses to become brittle. Maintenance parts may be replaced at one-half (50%) of the current retail price during the 15 year warranty period.

Dinnerware and Glassware: Hy Cite warrants that your Royal Prestige Dinnerware and Glassware will not break, crack, chip, scratch, or fade for as long as you own the product. If you break your Royal Prestige Dinnerware or Glassware, you can obtain replacement pieces for USD \$7.50/CAD \$10.00 per piece to cover shipping and handling. If replacement pieces are not available, you can make a piece by piece exchange of your set for a new pattern of equal value.
